

## INSTALLING THE DC-3 Airways World Rally 2022 LIVERIE IN X-PLANE

1. Simply unzip the livery package into the Liveries folder inside the aircraft folder. (If there isn't a Liveries folder, create one.) You then select them with the Open Livery option in the Open Aircraft menu.
2. Your directory (folder) structure should look like this:

Johan van Wyk

DCA1026

johanvanwyk@aeroworx.co.za
